

Expression of interest – Psychiatry Nurse

The University of Global Health Equity (UGHE) is an initiative of Partners In Health (PIH), an internationally recognized non-profit organization whose mission is to provide a preferential option for the poor in health care. Over nearly three decades of working alongside public sector partners around the world, PIH has developed a model for delivering high-quality health care to some of the world's most marginalized communities. This impact has been particularly significant in Rwanda, where Inshuti Mu Buzima (PIH Rwanda) and government partners have driven health system innovation for more than a decade.

UGHE's Innovation Center is seeking to recruit a Psychiatry Nurse Consultant to provide specialist clinical expertise in maternal mental health, with a particular focus on postpartum depression. The consultant will support the development, validation, and evaluation of a Large Language Model (LLM)-based training solution designed for Community Health Workers (CHWs).

Interested and qualified candidates are invited to apply. The detailed Terms of Reference (TOR) are available through the UGHE e-Procurement System

We encourage all eligible candidates to submit their Curriculum Vitae (CV) along with their academic qualifications via e-procurement system <https://ughe.app/eprocurement/index.php> Tender Notice #05257/26

Curriculum Vitae (CVs) and other Academic documents must be submitted electronically through the UGHE Procurement System no later than 23:59 Kigali time on 30th July 2026. Late submissions will not be considered.

The results of the public opening session will be made available in the system immediately after the tender submission deadline has expired.

Sincerely,

A handwritten signature in blue ink, appearing to read "Shivon Byamukama".

Shivon Byamukama

Deputy Vice Chancellor for Administrative and Financial Affairs
